

PAST PLAYERS DAY

Hopefully we are able to get a whole pile of PAST PLAYERS of any year, decade, or for some century, to celebrate wins of years past, and look forward to wins in the future. The Green shed is the starting point. Would love to have as many past players as possible on the ground as the Senior team runs out. So you will need to be in the ground before 2.00pm. Food and beer will be supplied for a little while in the club rooms and it will be an opportunity to buy a Past Player membership for the rest of the season. Get along and support the Hillman and tell a few exaggerated stories of time gone by.

FROM THE OVAL

Up and about, get around them. The Ones have taken the chocolates by defeating Tyabb 17.12-114 to 6.6-42. To say it was a solid win would be a fair and reasonable comment. Ben Hughes was certainly a force to be reckoned with, picking up the lazy handful of sausage rolls. Ben has kicked 9 in three games and heading in the right direction. Sean Marchetti, Tommy Mc and Noah Turner all put a pair on the table to help seal the deal. The Mitchells had a great day sharing the ball round like a box of Cadbury's. Lachy Chandler, Mocky and MDL all got involved and made the day a great win. Good to see consistency in regards to scores each quarter, just what the coach was looking for. Need to bring all the tricks this week as Cribby are a team that likes to spoil the fun.

The Magoos are showing that talent runs deep in the club. Red Hill 10.8-68 def Tyabb 5.4-34. Matty Lonsdale was showing off the talent in front of goal, and the celebrations looked just as good., he had three by his name at the end of the day. Luke "Macca" Marchesani and Chris B picked up a pair each. Lonners, MaxT, James "JP" Pittard all had a real crack and caught the eye of the vote givers. Happy's boys were in great form with another strong performance. Red Hill 10.16-76 def Tyabb 1.3-9. (hate to see what would have happened if they had kicked straight.)

Lachy "The Sandman" Sandford has kicked 4 more and has a nice little tally of 13 snags from 3 games. Jacob "The Boss" Boase keeps on giving with 2 majors. Darcy "the Flying Doormat" McDonald could not be stopped and dominated the springboard attack into the forward line. Big Al Fuller lead from the front, and Aiden M and The H Walker were machines. Huge effort from all teams this week to make sure that a clean sweep makes the weekend bigger than big.

The Hillies have another practice match at home this Saturday on the Chip. The girls came up against strong opposition last week, but every experience is a learning experience for the Hillies. Get across and support the girls as part of a big weekend on the Hill.

On The Court

Our first home game for the season was one we were all looking forward too! Sweeping, lugging furniture, cleaning up rubbish, canteen duties and selling raffle tickets! And a few games of netball, which don't happen unless we all volunteer and help out when we are rostered in and see something that needs to be done!

Our U 17's had their last bye for the season and were invaluable in other grades today.

D grade had a magnificent win and the smiles showed how happy you all were to hang on, one goal is all you need!

C grade continue to improve and are working towards a more consistent line up! A well fought out game that had Tyabb just hold onto their lead.

B grade were determined to win today and every little effort ensured the lead was held till the final siren!

A grade had a disappointing loss and must begin to convert possession into goals. Our young team will continue to develop and find consistent positions on court. Last and FINAL reminder that sponsorship or club fees must be paid by Saturday. Sponsorship \$250 or club fees \$150. Players non financial with the club will be unable to take the court. If you get a sponsor after you pay your club fees this will be refunded to you.

THE PRESIDENTS LUNCH.

Our first President's Lunch last Saturday was a great success and we were able to showcase the Club to new supporters and old with their partners and friends. All are welcome but places are limited so you will need to book early through TryBooking. Cost is \$40pp and a friendly convivial atmosphere is guaranteed. We will be holding President's Lunches for all our home matches except for 12 May (Ladies Day) and 7 July (Sponsors Lunch).

Susan Alberti will be our guest speaker at this year's Ladies Day which will be supporting Ovarian Cancer Australia. Cost is \$60pp. Numbers are limited so book early through TryBooking.

Graeme Sherry

WE REMEMBER GRAEME EMOND

Graeme Emond was a pioneer of Red Hill Football Club. He was at the club from 1966-1980 (apart from 1970-1 at Crib Pt). He was awarded a Life Member in 1980. During his football career he was awarded 3 League B/F Awards in 2nd XVIII 1966-7 and 1973. Coached the twos 1966-7 and 1973-80. A six time Club B/F winner in twos. Graeme passed away recently and it is important that on the week we celebrate past players that we also remember and reflect on club champions like Graeme. May he rest in Peace.

Interleague Representatives.

Jonah Siversen, Kane Hawkins, Hayden and Shea Mitchell,

On behalf of the Club and our supporters please accept my congratulations on being named in the MPNFL representative squads for the interleague matches coming up on 19 May.

It's a great honor for you guys personally and for the Club for you to be recognized as amongst the best in the league. Well done.

Every day, four Australian women are diagnosed with ovarian cancer. It is the deadliest women's cancer and there is no early detection test. You can make a difference in their lives and for future generations by purchasing a ticket and coming along to support Ovarian Cancer. Ovarian Cancer Australia provides vital services for women with ovarian cancer and their families, raises awareness of the disease and facilitates high impact research to improve outcomes for Australian women.
