

WELCOME TO RED HILL FOOTBALL and NETBALL CLUB

CLUB (definition)

an **organization** of **people** with a **common purpose** or **interest** who **meet regularly** and **share activities**:

The dictionary definition does not, in my opinion, fully explain the definition of Red Hill Football Netball CLUB. It does not use the terms mate, it does not make the point that we have a special bond. But it does mention common goals. Our goal to gain success, by success I mean win. The goals of our club are entrenched in history. Every time a player pulls on the Red and White you represent more than a the team you play for, you represent past players, past members. You represent a population of people who live on one of the most beautiful parts of the Peninsula. Red Hill is FAMILY. Red Hill is COMMUNITY. We don't count the number of times you put up your hand to help, but every time you do put up your hand, it counts. Make it **your goal each week** to meet someone not in your team, another player, committee member, supporter.

FROM THE OVAL

The air was crisp on Thursday night, there was a touch of the change of season in the air, and that season is FOOTBALL. There were plenty of numbers on the training track for the inter club practice match and it was good to see that the boys were serious. There were crunching tackles and the running was hard. Bring on Chelsea. We are playing away round 1 but that emphasizes the point that we need to be there in numbers.

A great hit out against Peninsula Old Boys saw some good wins across all three teams. It was so good to see the young blokes being tested by stepping up into the ones and the twos. **Bring on Round 1 this Saturday 7th April at Chelsea!**

The Women's Team are about to start practice matches.

7th April V Frankston Dolphins (away)

15th April V Frankston Bombers (away)

28th April V Tyabb @ Red Hill 10.00am

Try and get to these games. Support the girls who are as keen as Mustard to represent the club.

FROM THE COURT

The girls have been tapering this week in readiness for the first round. Teams have been named and all are ready for the start of Round 1. The girls, like the men's football team take on an unknown foe, but we know that the only thing that the girls do know is to go hard and make every moment count

WHY WE NEED YOU ON THE HILL: Lets not beat about the bush. Red Hill is a proud club, but we cannot be that proud that we cannot ask for money. The club has great numbers on the oval and the court, but these teams need financial support. Your paid up membership will help keep teams on the field, but also go to some bigger costs, such as new jump- ers for the Under 19's, new netball courts, work on the Green Shed, new tables and chairs in the club rooms. Look at the packages on offer, if you would like to help us financially contact Denise Catchlove at dencatch@pac.com.au
