Presidents Report

We are at the mid-season mark in my first year as President and I never cease to be amazed at the generosity of the men and women who volunteer around the Club to do the million and one jobs that make for a successful environment to support the aspirations of the 150 or so young men and women who represent Red Hill each weekend. As usual though, the tasks fall to all too few and we can always find work for those willing to help out in one form or another. You may not be able to contribute on a regular basis. That doesn't matter because any help at all would be appreciated. The Committee has been hard at work to sure up our finances and have entered into 3 year sponsorship deals with most of our major sponsors which is great. We've also been working hard on securing support for our remaining major functions, the Mega Money \$5,000 Draw this Saturday 7th July, the Auction Night dinner on 28th July and our Sportsman's Lunch on 12th September. We have 3 home games remaining after this weekend and are also seeking support for our Presidents Lunches held in the Club Rooms for each home game. All are welcome and we are actively seeking support for these functions. Bookings can be made through TryBooking. We are looking forward to the run home to the finals and would love to see all of you at our home games.

FROM THE OVAL

To say things are travelling well would be the best way to describe the football at Red Hill at the moment. The Ones are sitting 4th as we go to press. Of the top five we have beaten Dromana, beaten Hastings, beaten Chelsea and lost to Karingal by one point. Lets not lift the lid, but Jamie and the boys are doing something right. It is great to see, and great for the club, that there are young players getting a regular game in the ones and the twos and they are more than just filling holes. This is a credit to the coaching staff. With 6 rounds to go, the momentum is certainly building for the Ones. The Magoos are not to be out done either, also sitting 4th, but need another win to keep them out of a percentage race for the top spots. Again young and old combining to get a great balance within the team. The Unders are up against some strong opposition in the coming rounds and it will be a real test for them. Currently sitting on top, without a loss, but certainly not complacent as they face Langwarrin, Crib Point and Karingal, all possible finals teams in the next three rounds. I did make the call early in the season that something was brewing on the Hill, get around the boys over the next few weeks and support our run into the end of the season, you never know what may happen!

The Hillies are currently sitting 9th but making improvements each week . A big chance for a win next week as they take on Pakenham at the Show grounds at 12.00. So get to the Chip and support the Hillies. This makes it a big weekend for the club and hopefully 4 wins this weekend.

NEWS FROM THE HILL

On the Court

After round 11 our teams are as stands.

A grade -8th
B grade - 6th
C grade - 6th
D grade - 11th
U/17s -3rd

Again this last month our A grade has had player numbers down due to injury & holidays. It's tough , as when our entire A team are playing, we are a strong competitive team. B & C grades are still looking at finals & are becoming stronger each week. D grade still have goaler issues but won against Hastings & the goaling accuracy was high. This makes a huge difference. The U/17s had a shock going down against Hastings to put them into 3rd position but they didn't get their momentum going till the last quarter that they won but they realise it needs to be 4 quarters of netball if they want to win.

PRESIDENTS LUNCH

With 4 home games left you still have the opportunity to have a seat with the President and enjoy an afternoon at the football. It costs \$40 for a great meal, grab a few mates, bring your partner and enjoy lunch at the football. The bar is open, the company will be excellent and you help support the club. You need to book, contact Kim Sherry on 0417 125 123.

THE GREEN SHED

The green shed is on the move. It will be necessary for the club to relocate the Green shed. Plans have been drawn up and permits have been requested. The costs have been calculated and we will soon be calling on all members to see if you can help out by donating materials or skill s in the near future.

AUCTION NIGHT

The Auction Night is quickly approaching on Saturday 28th July. If you have any goods and/or services that you can donate as an Auction Item please contact the Committee so we can arrange for your items to be collected.

NEWS FROM THE HILL

RED HILL HISTORY

"Red Hill F.N.C. History 1965-1990" is an amazing document that has been meticulously put together by James White. He has spent hours completing research, collecting interviews and getting into the clubs archives to put together the story of the club in what we could call the modern era. This follows up his book of the early history of the club. As we know, Jim White is a major figure in the club, and it is a credit to him that he has the passion for the club. Show your support for the publication that will be released at the Auction Night on July 28th. Pre booking of same can be made through Jim's web site. It will be sale on match days at clothing stall @\$30.

WHY WE NEED YOU ON THE HILL: Lets not beat about the bush. Red Hill is a proud club, but we cannot be that proud that we cannot ask for money. The club has great numbers on the oval and the court, but these teams need financial support. Your paid up membership will help keep teams on the field, but also go to some bigger costs, such as new jumpers for the Under 19's, new netball courts, work on the Green Shed, new tables and chairs in the club rooms. Look at the packages on offer, if you would like to help us financially contact Denise Catchlove at dencatch@pac.com.au
