## THINGS ARE NOW GETTING INTERESTING

Great results against Crib Point last week and a huge Saturday On The Hill coming up as when we Karingal. If the Seniors can continue to win, there's a double chance up for grabs and 2's now need to win nearly all their games to stay in the race in a very tight competition. In the netball the story is the same, with some must win games for all divisions. Over the next few rounds it would be great to see as many supporters as possible at all games, but in particular the last few home games. This Saturday 21<sup>st</sup> July V Karingal and Round 17 and 18 are also home games to finish off the season.

## GREEN SHED FAREWELL THIS SATURDAY!

The infamous Green Shed will be finding a new home in 2019. So with only a few games left, we're inviting all Past Players and Red Hill FNC Supporters along for a drink and steak sanga THIS SATURDAY for our Home Game against the old foe in Karingal. It's time to celebrate the greatness of the Green Shed and hear about it's future plans. AND it's 3rd v 2nd in Senior Footy, a beer, a feed and some great company. Need we say more!?

## PRESIDENTS LUNCH

With 3 home games left you still have the opportunity to have a seat with the President and enjoy an afternoon at the football. It costs \$40 for a great 3 course meal. Grab a few mates, bring your partner and enjoy lunch at the footy. The bar is open, the company will be excellent and you help support the club.

You need to book, contact Kim Sherry on 0417 125 123.
