## GET AROUND THEM....

**Don't care what your plans were for next Saturday, we need you at Hastings Football oval for a BIG DAY!**

The U/17 Netball girls kick off the morning with a game against Hastings for a spot in the GF. The U/ 19 are undefeated this season and are up against a much improved Rye outfit. A win will see the boys go directly into the GF. And finally the Ones are up against the old foes in Dromana in a true clash of top of the table teams, and a win will mean that the Hillmen are in the GF. We need to be there in numbers for all three games. Pack a lunch, get the red and white shirts, socks and jocks on and get to Hastings. I said it at the start of the year.....something is brewing on the Hill. Be part of the thunder and make some noise this Saturday!

## To Those That Help

I know it is not the end of the season, but we do not head back to our ground this year. It is very important that we recognise all those people who make each home game work. The day starts at 8.00am and finishes well into the evening and many of the jobs are done by people who simply love the club. We all strive to be our best, and it is great to have those folk around us that help this be achieved. I have not mentioned names for fear of forgetting someone. It would be great if you see a club member that you know has helped out this year, to pat them on the back and say THANKS.

## THE BOOK

Don't forget to pick up a copy of the History of Red Hill Football Club penned by our very own James White. A two volume epic that covers the complete era of football on the Hill. Get a copy from the clubrooms on Thursday night and have it as part of your historical library. Hopefully we can add some more history in the next few weeks.

## THE HILLIES

A strong finish for the Hillies in the Womens League. The girls clocked up some W's and finished with confidence and hopefully this will carry into next season. Shane "Rambo" Ramsey has been signed up again as coach, and we look forward to a great season next year. The girls have their vote count on 25<sup>th</sup> August.
